Fullness of Health Makes Sweet Dispositions and Happy Homes

[EXTRACTS FROM MRS. PINKHAM'S NOTE BOOK.] Woman's greatest gift is the power to inspire admiration, respect and love.

There is a beauty in health which is more attractive to men than , mere regularity of feature. To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill health, painful menses, pains in the side, headache or backache, secure Lydia Es Pinkham's Vegetable Compound, and begin its use. This truly wonderful

remedy is the safeguard of women's bealth. Mrs. MARKI, SMITH, 345 Central Ave., Jersey City Heights, N. J., writes:

"DEAR MRS. PINKHAM:-I can

hardly find words with which to thank you for what your wonderful remedy has done for me. Without it I would by this time have been dead or worse, insane; for when I started to take Lydin E. Planham's Vege-

that was given up by two of the best doctors in

medicine, I am now well and strong; in fact, another person entirely."
